Law Enforcement Medical Officer			200420	82470
Date(s) of Training	Time	Hours	Location	
January 12, 2026	8:30 – 12:30	4	Carmi Municipal Airport 1379 County Rd 1500 N, Carmi, IL 62821	
Course Description				
This end user medical officer course will train police officers how to recognize signs of medical emergencies and better enable them to perform lifesaving medical techniques. This comprehensive training program integrates first aid, safety education, and the Stop the Bleed initiative, focusing on injury treatment and emergency care for accidents, injuries and sudden illnesses. This course will also help officers stay current on the required Emergency Medical Response mandates each year.				
Course Objectives				
Class objectives include understanding: ✓ Application of basic life-saving skills ✓ Recognizing the signs and symptoms of medical issues ✓ Understanding the basics of CPR/ EAD practices (This is not a CPR/AED class)				
Instructor				
MTU 15 Police Training Specialist Justin Spencer has over 23 years of law enforcement experience. Justin has served as both a training officer and supervisor within his department. Justin is a certified instructor in: Police Firearms, Patrol Rifle, Red Dot Pistol, Taser, Integrated Force Options Control Tactics, Stop the Bleed, MILO Range Simulator, and Use of Force. Justin has been certified as an Illinois Active Threat Master Instructor.				
Mandates Met by This Training				
This course has ILETSB approval for the following mandates: <i>Emergency Medical Response.</i>				
<i>This class is partially funded and certified by the Illinois Law Enforcement Training and Standards Board</i>
