Course Description

This workshop utilizes practical exercises, new concepts/techniques and psychological principles to enhance the law enforcement officer's ability to obtain legally acceptable confessions and to tailor their criminal interviews for maximum advantage. The purpose of the course is to offer participants, who have attended a basic introductory interview and interrogation course, with an opportunity to practice techniques in a workshop environment. This interactive workshop allows participants to work through actual case studies applying techniques taught by the instructor in real-world situations.

Course Objectives

Workshop topics include:

- ✓ Causes of Denials
- ✓ Dealing with Difficult Subjects
- ✓ Cognitive Interviewing
- ✓ Development of the Admission

Instructor

WZ instructors have a minimum of 10 years of experience in conducting interviews and interrogations using the WZ Non-Confrontational Method of Interviewing.
