Name of Class			Class ID#	Course ID#
One Handed Weapon Manipulation			212023	79400
Date of Training	Time	Hours	Location	
July 26, 2024	8:00-12:00	4	14100 E. 875 th Rd. Heartville, IL	

Course Description

This firearms course will provide the student with an increased understanding of the techniques required to properly utilize their equipment and firearms in situations where they may be unable to use basic two-handed firearms techniques. This course will also increase the students understanding of how these manipulation techniques can serve to increase their officer safety and probability of survival in the types of situations described by the training.

Course Objectives

- One handed shooting (dominant and support hands)
- One handed loading (dominant and support hands)
- One handed weapon malfunction clearing (dominant and support hands)

Instructor

Trevor Honomichl has 30 years of law enforcement experience. Trevor started his career in Mesa, Az in 1993. Trevor was involved in training at both the academy and in-service personnel levels since 1995. Trevor will be the primary contact point for agencies located within Training Service Area (TSA) 3

Equipment Requirements

Attendees are required to provide Duty Weapon, three magazines and duty gear with holster, as well as safety glasses and hearing protection. Minimum of 150 rounds of factory new ammunition.

Mandates Met by This Training
