### Course Description

Illinois 95<sup>th</sup> General Assembly Resolution 0051 requires *Manufacturer's* Certification on Electro-Muscular Disruption Technology (EMDT) Employed by Illinois Law Enforcement and Correctional Officers. TASER International requires that users of the TASER Conducted Electrical Weapon (CEW) device take a certification course prior to carrying the TASER®. That certification expires one year from the date of issue.

This 6-hour class is for the certification of the TASER Conducted Energy Weapon. This certification will involve a review of TASER technology and the proper and safe methods for deployment of the TASER EMD device. "Failure Drills" will be practiced and a written examination will be given, as a part of this certification process.

### Course Objectives
