October 26-27, 2023	8:30 A.M.- 4:30 P.M.	16	Carbondale Police Department 501 S. Washington St Carbondale, IL 62901	
Course Description				
<p>The Six Layer Concept: Tactical Threat Recognition Master Lesson File for the Law Enforcement Basic Course has been prepared for use as an extension of basic law enforcement officer training. SLCTTR was developed in support of officer wellness, decision-making, and cognitive/implicit bias awareness. This master lesson file is the primary source of information for predictive analysis and proactive decision-making that aligns with legal, moral, and ethical parameters to be taught as basic in-service training for the training academy. SLCTTR is a flexible, dynamic system that, when applied, creates effective and efficient communication between the officer, dispatch, organizational leadership, and the community.</p>				
Course Objectives				
<ul style="list-style-type: none"> * Use Human Terrain Mapping and Behavior Pattern Recognition to identify potential threats before they occur. * Identify threats make a decision that results in the de-escalation, mitigation, or removal of the perceived threat. * Decision making from the observation and identification of a perceived threat, use artifacts and evidence to re-enforce the legitimacy of the decision based on legal, moral, and ethical frameworks. * Using cultural indicators and atmospherics, demonstrate cultural understanding and seek to build relationships and community rapport. * Consider internal health and welfare of officers and staff while recognizing early warning cues of distress.
