Date(s) of Training	Time	Hours	Location	
February 23 – 25, 2021	0830 – 1730 Hours	27	Armed Forces Reserve Center 600 N. Shiloh Drive, Mt. Vernon, IL	

Course Description

The Emergency Medical Dispatcher™ (EMD) is an essential component of any effective EMS system. Proper and timely training in the use of the Medical Priority Dispatch System™ (MPDS) helps EMDs deliver quality care to the calling public. Completion of this course provides students with confidence to begin using the protocol on-line in the busiest of communication centers. Classes use hands-on teaching, class participation, simulated and actual calls, and feedback to prepare the students for work in a communication center. To be EMD-certified, the applicant must also be CPR-certified through the National Safety Council, American Heart Association, American Red Cross, European Resuscitation Council, or equivalent. We recommend this training be completed prior to attending the EMD course.

REGISTRATION INSTRUCTIONS

This course is being funded through a grant from the Illinois Department of Transportation. As such, the cost of the class for Illinois Local & State Agencies will be covered by MTU 15.

Priority will be given to MTU 15 members, however, should the course become over-booked.

- ✓ Improve quality of service and caring to the caller
- ✓ Correctly identify Chief Complaints
- ✓ Assign needed resources
- ✓ Improve scene safety
- ✓ Provide effective Dispatch Life Support
- ✓ Learn the new Compressions 1st CPR
- ✓ Provide crucial Pre-Arrival Instructions even in high-risk childbirth situations (breech, etc.)
- ✓ Safely prioritize calls
- ✓ Acquire national certification

Instructor

Priority Dispatch Corp. courses prepare communication center staff to deliver standardized, quality care through hands-on classroom instruction to become highly proficient in the knowledge, skills, and attributes to be proficient in the individual medical, fire, police, or Emergency Communication Nurse System protocols. International Academies of Emergency Dispatch certification requires that EDs recertify every two years in order to maintain continuing levels of excellence. Similarly, Emergency Dispatch Quality Assurance Courses equip your staff with the tools and understanding of the Priority Dispatch System Protocols to maintain an effective Quality Assurance and performance management programs within your center.
