Cell Search & Prisoner Search Training			123367	71759
Date(s) of Training	Time	Hours	Location	
December 1, 2021	0800 – 1600 Hrs.	7	Williamson County Sheriff's Office 404 North Van Buren Street Marion, IL	

Course Description

This training provides information and techniques to be followed in the search for and control of contraband. It also standardizes procedure for the inspection and search of a detainee's person, living quarters, or any area in or around a Correctional Facility to aid in the control of contraband. Additionally, the course reveals to participants that searching a detainee's person is sound correctional practice and a necessary element of contraband control. The employee will learn the importance of thoroughness and not to offend the dignity of the detainee being searched.

Course Objectives

Class objectives include understanding:

- Name two purposes for a search
- Define contraband
- Identify four major categories of contraband
- Name three types of searches
- Perform a body search
- Approach and Verbal De-escalation techniques
- Identify the procedure for a strip search
- Identify different categories of people to be searched & type of searches to which they are subject.
- Define body search
- Identify the procedure for disposal of contraband.
- Complete cell, area, and personal search exercise.

Instructor

Charles Cadell, III has over 20 years as an instructor, he is experienced in all aspects of facility training for the Illinois Department of Corrections, and the Menard Correctional Center. His duties included serving as Operations/Special Operations Training Coordinator, Statewide Department Firearms Instructor, Control-Tactics Trainer, Chemical Agent/Oleoresin Capsicum Trainer and Staff Development Specialist for the IDOC Training Academy.

Mandates met by this training
